

# SPRINGFIELD PUBLIC LIBRARY

## *Helping Classrooms Grow!*

### Classroom Visits

If you would like a librarian or volunteer to come to your classroom for a storytime, talk about the library, demonstrate information literacy skills, or just provide some book-talks, contact us! We're happy to provide a visit catered to your needs. Contact Taylor for preschool and elementary school or Cara for middle and high school.

### Library Tours/Visits

We can accommodate groups of up to 45 children with adult supervision for tours of the library. (Teen and adult tour groups vary substantially in size.) A tour typically lasts 20-45 minutes, depending on age, and is followed by free time for students. Contact Taylor to arrange a tour for preschool and elementary school, Cara for middle and high school tours, and Kristen for adult and bilingual tours.

### Requesting Materials

With minimal advance notice (24 hours is best), we can select, gather, and hold books and materials for whichever subject(s) you require. With at least 1 week advance notice, we can ship up to 10 books via the courier to your school. All books are checked out on your card (see library card section below) and follow normal lending and renewal guidelines, unless otherwise arranged.

### Tinker Tech Kits

Tinker Tech Kits are collections of technology toys and gear (robotics, coding, etc.) which can be checked out to your teacher card and used in your classroom. Contact LuCinda for more information. Kits can be reserved on our website.

### Curriculum Bins & Book Sets

Curriculum bins are themed sets of books on a specific topics; Book sets are multiple copies of one or two titles. These collections are contained in a single, durable plastic bin—careful, many are heavy! - and check out on your card as a single item. Great for unit studies or for reading groups.

### Staff Trainings

Would you like your organization or caregiver group to know more about early literacy? Contact LuCinda Gustavson to arrange a special training session. We can provide training on early literacy skills, present skill-oriented storytimes, and give talking points for your employees, partners, and caregivers.

### Family Nights & Special Events

We love participating in special events when our schedule permits. Have a family night, community day, or other event coming up? We can customize our presence at your event to meet your organization's and families' needs. Advance notice is greatly appreciated. Contact LuCinda to arrange for our attendance.

### Library Cards

**STUDENT CARDS:** We are now able to provide no-cost library cards to all students and their households, regardless of their residency in or out of city limits. Forms are available both on our website and in the library.

**TEACHER CARDS:** All Springfield Public Schools teachers qualify for a no-cost, classroom-use library card, regardless of residency. Normal extended use or damage fees still apply to all items checked out on these cards. Bring your photo ID and a pay-stub, name badge, or similar school district ID to the Reference Desk in the library to get your card. Teachers who reside in Springfield receive a traditional, personal card.
